Your adventure begins in the semi-tropical Bay of Islands, where you will have four fabulous nights at Eagles Nest, in a luxury private villa. On arrival, a masseuse will be there meet you to make sure that Mum and Dad begin the vacation with complete relaxation in mind! With your own private infinity pool and all the creature comforts you could imagine, this is a wonderful base from which to begin your vacation. You will experience a private cruise through the stunning Bay of Islands, quad biking on 90 mile beach and fresh fish and chips on the beach together, a favourite New Zealand past time!

From the Bay of Islands you will head to Treetops Lodge, located near Rotorua amidst the geothermal region of the Central Plateau. In addition to the 70 kilometres of private trails through native forest at Treetops Lodge, you will have the opportunity to spend the next few days exploring the region, including a scenic cruise and helicopter excursion to Mt Tarawera where on the lake you might like to troll for trout. The next destination is magnificent Wharekauhau Lodge in Palliser Bay. Experience a tour of the working sheep farm at Wharekauhau, travel out to see the remarkable seal colony and spend an afternoon as a family in the kitchen at the Lodge with the chefs, helping to create a meal you can all share together.

After four nights at Wharekauhau Lodge you will fly to the South Island to the international resort town of Queenstown. In Queenstown you will stay at Eichardt's Lakefront Cottage where the views across Lake Wakatipu are outstanding. Queenstown is an adventure playground for young and old. Enjoy the next five days exploring this region and participating in as many or as few activities as you can squeeze in such as bungy jumping, lugging, white water rafting, sky diving, golf, health spas, gorge swings, wine tasting, mountain biking or simply relaxing.
